COMPANY OVERVIEW

R&R Lotion, Inc. is an American family-owned original manufacturer in Scottsdale, Arizona. We formulate, manufacture, fill and test our own OTC and EPA-registered skin care in an FDA registered facility, and supply crews from city parks departments to the Department of Veterans Affairs.

CORE COMPETENCIES

- OTC skin care manufacturing: I.C. Industrial Sunscreen SPF 36, alcohol-free hand sanitizers, antibacterial hand cleaners
- EPA-registered, DEET-free IR3535 insect repellents
- Poison ivy barrier (I.C. Ivy Block, bentonite clay) and cleanser (I.C. Ivy Cleanse)
- ESD / static-control lotions, workstation cleaners, anti-stat and blue ESD bottles
- Waterless and heavy-duty hand cleaners for fleet and shop
- Formulation, filling, private label and contract manufacturing

DIFFERENTIATORS

- **Made in the USA since 1983** in our own Scottsdale, Arizona plant; American family-owned
- **In-house manufacturing:** formulation, production, filling and testing under one roof; onsite staff develop and test new OTC products
- **FDA registered facility** (No. 3004167955) and EPA registered; NSF registered I.C. Antibacterial Hand Cleaner (E2) and both I.C. Lotions (E4)
- **Every batch tested** by independent labs for bacteria and active-ingredient percentage before release; FDA 21 CFR 211.67 cleaning, 820.60 / 820.65 traceability
- **COVID-19 supply record:** in 2020 we ran production 24/7 and doubled hand sanitizer output, supplying hospitals, government agencies and municipalities
- **Long-term government supplier:** 20+ years on GSA Schedule; warehousing in Scottsdale, AZ and Rotterdam, Netherlands

PAST PERFORMANCE

- Department of Veterans Affairs: medical centers and CMOP pharmacies
- U.S. Army, Navy, National Guard; Defense Logistics Agency
- U.S. Coast Guard, U.S. Border Patrol, USDA Forest Service
