
I.C.® TIP TINNER

ROHS COMPLIANT. RESTORES THE TIP.
MADE FOR THE SOLDERING BENCH.

PRODUCT DESCRIPTION

Removes flux and metal contamination from soldering tips. A RoHS-compliant formula with a special surfactant cleans the dewetting layer caused by oxidation, removes rust and applies a layer of premium tin, restoring heat transfer and the tip's full function.

FREE OF Rosin, halogens and splatter. Conflict-free materials.

> ⚠ **WARNING: This product can expose you to naphthalene, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.**

TOTAL RESTORATION

Cleans, de-oxidizes and re-tins the soldering tip, restoring proper heat transfer.

ROHS COMPLIANT

RoHS compliant: below the RoHS limits for restricted substances.

ESD-SAFE CAN

Packaged in an ESD-safe can with adhesive backing to mount at any workstation.

WHY R&R

- **Since 1983.** A Scottsdale, Arizona company.
