

INDUSTRY CARE™

A BRAND OF R&R LOTION®

I.C. INSECT REPELLENT SPRAY

*Gear-Safe and Odorless
Protection in a Non-Toxic Formula*

IR3535 Formula

A next generation biopesticide that offers maximum protection from insects by way of non-toxic interference

Gear Safe

Breaks down and absorbs into skin, preventing excess wear to your equipment

Lightweight & Non-Toxic

Our weightless and non-greasy formula glides across the skin and absorbs instantly. Leaving no residue and no need to wash off

How It Works

Instead of repelling insects using toxic odors, I.C. Insect Repellent renders the host invisible. It coats your pores and masks the odors that attract biting insects. And, with it's non-toxic, naturally derived active ingredient, there is no need to wash the repellent off.

Industry Standards

Our products are designed to perform within the regulations of all outdoor professional PPE.

ASTM D120
ASTM F2621
ASTM D6413

What Makes Us Different

R&R Lotion is an American family-owned business since 1983. Since we began, we've been committed to exceeding industry standards and creating new and innovative products for the American Workforce. From Hand Lotion to Sunscreen, we've protected professionals for over 40 years, and are comitted to surpassing expectations and delivering the best possible safety solutions for you, the worker.
