PROFESSIONAL OUTDOOR PRODUCTS

I.C.[®] Itch + Pain Relief

*Treatment for Cuts,
Scrapes, Burns,
Bites, and Allergic
Reactions*

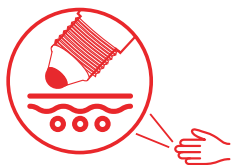

BAKING SODA-FREE

STERIOD-FREE

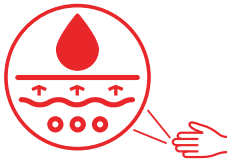

ALCOHOL-FREE

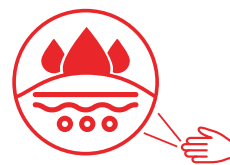

Apply & Let Dry

Simply roll onto afflicted area and let dry to treat injury or allergic reaction

Histamine Blocker

Diphenhydramine ceases the painful reaction of histamines to provide immediate comfort and relief

Protective Seal

Zinc Acetate purifies and then seals exposed or oozing wounds

Targeted Treatment

I.C. Itch and Pain Relief stick heals and protects skin. It's roll-on design gently delivers pain-free treatment. Diphenhydramine histamine blockers relieve any pain, itching, swelling, rashes or allergic reactions, as zinc acetate treats and dries wounds in a hydrophobic protective seal.

Personal Protectant

Designed to provide topical itch and pain relief for the following ailments:

- Insect Bites
- Stings
- Cuts & Scrapes
- Allergic Reactions
- Sunburns
- Poison Ivy, Oak & Sumac
- Skin Irritation

What Makes Us Different

Since our beginning, we've been committed to exceeding industry standards and creating new and innovative products for the American Workforce. From Hand Lotion to Sunscreen, we've protected professionals for over 40 years, and are committed to surpassing expectations and delivering the best possible safety solutions for you, the worker.
