

INDUSTRY CARE

PROFESSIONAL OUTDOOR PRODUCTS

I.C.® Ivy Block

*Pre-Contact
Poison Ivy, Oak,
and Sumac Solution*

MINERAL SPIRIT-FREE

CRUELTY-FREE

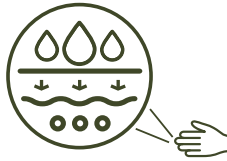

ALCOHOL-FREE

Durable Defense

Bentonite clay is capable of absorbing 8 times its weight in toxic oils

Traceless & Clean

Plants onto skin, preventing smearing or contamination to gear or equipment

Apply & Let Dry

Simply lather exposed skin in a layer of Ivy Block to protect against urushiol oil

Multistage Barrier

I.C. Ivy Block defends against the toxic spread of poison ivy, or urushiol oil. Dimethicone and zinc acetate repel urushiol on the surface, as a buffer layer of bentonite clay absorbs penetrating oil. Underneath, pores are tightened and coated in a hydrophobic seal, separating you from the threat of poison ivy.

Industry Standards

Designed to perform within regulation of all outdoor Professional PPE

- ASTM D120 Certified
- ASTM D6413 Certified
- ASTM F2621 Certified

What Makes Us Different

Since our beginning, we've been committed to exceeding industry standards and creating new and innovative products for the American Workforce. From Hand Lotion to Sunscreen, we've protected professionals for over 40 years, and are committed to surpassing expectations and delivering the best possible safety solutions for you, the worker.
