

I.C.® TIP TINNER

**ROHS COMPLIANT. RESTORES THE
TIP.
MADE FOR THE SOLDERING BENCH.**

PRODUCT DESCRIPTION

Removes flux and metal contamination from soldering tips. A RoHS-compliant formula with a special surfactant cleans the dewetting layer caused by oxidation, removes rust and applies a layer of premium tin, restoring heat transfer and the tip's full function.

FREE OF Rosin, halogens and splatter. Conflict-free materials.

⚠ WARNING: This product can expose you to naphthalene, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

TOTAL RESTORATION

Cleans, de-oxidizes and re-tins the soldering tip, restoring proper heat transfer.

ROHS COMPLIANT

RoHS compliant: below the RoHS limits for restricted substances.

ESD-SAFE CAN

Packaged in an ESD-safe can with adhesive backing to mount at any workstation.
